Just FYI that Lucy's response to one of our comments states that she did not receive Nathan's input contained in his 8/6/19 email to you.

Douglas- thanks! We'd like you to take lead on reaching out to the individual agencies about which initiatives they are interested in. I've replied to your comments in the attached document. I shifted some things around and increased a couple slots. Do you feel the changes have addressed your comments?

-Lucy

Good afternoon, Douglas.

I've attached a second draft of the proposed agenda for the UIC director's meeting in October. We didn't receive much feedback from other states on topics they'd like to discuss. Please let me know of any corrections or changes you'd like to see made. Once we receive your approval, I mail out a final agenda to the mailing list, likely on Monday 09/09.

Thanks!

-Lucy

Lucy:

RE: UIC meeting agenda—Please incorporate Douglas' changes and any others (seems like you had some additional topics from one of the states too), and send the final draft to Douglas. Once Douglas is happy, please send out the final agenda early next week.

Thanks!

Mike

OK, Jeff is on the list.

I'll forward this to Lucy Blocker—she's coordinating finalization of the agenda for our October meeting.

Hi Jeff: we are glad you will be able to join us in Pierre in October to represent OGWDW! I've attached the draft agenda which includes an update on OGWDW's work relevant to our states/tribes.

Michael: please add Jeff to your email address list.

Also, just one observation as well: Part I and Part II of the first morning's Program Updates should include report outs from all of our state and tribal UIC agencies (if I'm understanding this topic correctly), not just EPA.

Thanks,

Douglas

Good morning, everyone!

I have attached a draft meeting agenda for the 2019 Region 8 UIC Directors meeting. As Mike Lees mentioned in a previous email, we'd like to address specific topics of interest to your program.
